MOVE-IN UNIT CONDITION AND KEY RECEIPT AGREEMENT

Sunridge Apartments - Star Property Management

Agreement Reference: SPM-2026-MOVEIN-0147

PREAMBLE

This Move-In Unit Condition and Key Receipt Agreement ("Agreement") is entered into as of July 16, 2026 (the "Effective Date"), by and between: Star Property Management, a residential property management company operating in the Southwest Texas region, represented herein by Lisa Smith, Property Manager, with offices located at Sunridge Apartments, Southwest Texas ("Manager"); and Angela Carter, an adult individual taking occupancy of a residential dwelling unit at Sunridge Apartments, Southwest Texas ("Resident"). Whereas the parties completed a joint walkthrough of the dwelling unit on the Effective Date, and whereas keys to the unit were tendered to Resident on that same date, the parties agree as follows:

NUMBERED CLAUSES

1. SCOPE OF AGREEMENT

This Agreement documents the physical condition of the residential dwelling unit at Sunridge Apartments as jointly observed and recorded by Manager and Resident during the move-in walkthrough conducted on the Effective Date. The condition findings set forth herein, together with the attached Move-In Inspection Form, constitute the agreed baseline against which the unit's condition will be evaluated upon Resident's eventual vacation of the premises.

2. WALKTHROUGH AND INSPECTION

On the Effective Date, Lisa Smith conducted the move-in walkthrough in the presence of Angela Carter, examining each room, fixture, appliance, and surface within the unit and recording observed conditions including any pre-existing damage, wear, or deficiencies - on the Move-In Inspection Form. Both parties acknowledged the accuracy of that form by signature upon its completion, and the executed form has been saved to the Star Property Management shared document drive as the official record of unit condition at possession.

3. KEY ISSUANCE

Upon conclusion of the walkthrough and mutual acknowledgment of the inspection findings, Manager delivered to Resident one complete set of keys providing access to the dwelling unit. Resident accepts the keys and assumes sole responsibility for their safekeeping; loss or required replacement must be reported to the management office promptly, and any associated costs are the Resident's obligation.

4. UNIT CONDITION AT POSSESSION

Resident accepts the unit in the condition documented on the Move-In Inspection Form and acknowledges that, except for items expressly noted thereon as pre-existing deficiencies, the unit is clean, functional, and in a habitable state. Manager represents that all make-ready work, including cleaning and necessary repairs, was completed prior to the Effective Date.

5. TERM AND DURATION

The occupancy term governing Resident's tenancy at Sunridge Apartments is established by the Residential Lease Execution Agreement previously executed by the parties. This Agreement is ancillary to that lease,

takes effect on the Effective Date, and remains operative for the duration of Resident's tenancy solely for purposes of preserving the baseline unit-condition record.

6. MAINTENANCE REPORTING RESPONSIBILITIES

Resident shall notify Star Property Management promptly of any maintenance concerns, mechanical failures, or damage arising during occupancy through the channels designated by management, including the management office and email. Manager will triage and respond to reported maintenance needs encompassing HVAC, air conditioning, and general vendor repairs - in accordance with the policies set forth in the governing lease.

7. MANAGER'S ONGOING OBLIGATIONS

Star Property Management shall maintain the dwelling unit in a habitable condition throughout the tenancy by ensuring that reported repair needs are assessed and addressed within a reasonable time, engaging qualified vendors where necessary, and keeping Resident informed of the progress of any work materially affecting the unit.

8. RESIDENT'S ONGOING OBLIGATIONS

Resident shall occupy and maintain the dwelling unit in a clean and orderly condition, shall not cause or permit damage beyond ordinary wear and tear, and shall provide reasonable access to authorized personnel and vendors for inspections or repairs requiring entry to the unit.

9. MOVE-OUT COMPARISON

At the conclusion of Resident's tenancy, a move-out inspection will be conducted and the unit's condition compared against the findings recorded herein. Resident will bear financial responsibility only for damage or deterioration that exceeds normal wear and tear and that was not documented as a pre-existing condition on the Move-In Inspection Form.

10. SECURITY DEPOSIT

Any security deposit collected from Resident is governed exclusively by the terms of the Residential Lease Execution Agreement and applicable Texas law. This Agreement neither alters the deposit amount nor modifies the conditions or timeline for its return or any itemized deduction notice.

11. GOVERNING LAW

This Agreement is governed by the laws of the State of Texas, and any dispute arising hereunder shall be resolved in accordance with applicable Texas statutes governing residential tenancies.

12. ENTIRE AGREEMENT

This Agreement, together with the Move-In Inspection Form attached hereto and the Residential Lease Execution Agreement previously executed by the parties, constitutes the complete understanding between Manager and Resident with respect to the condition of the unit at the commencement of occupancy. No prior oral representations regarding unit condition are incorporated herein unless expressly noted on the Move-In Inspection Form.

13. TERMINATION

This Agreement concludes upon Resident's lawful vacation of the premises and completion of a corresponding move-out inspection, at which point the baseline condition record established herein will have served its purpose. Early termination of the underlying lease by either party does not extinguish the rights and obligations created by this Agreement with respect to the documented move-in condition.
