Reasonable Accommodation Documentation Intake and Processing

Agreement

REASONABLE ACCOMMODATION DOCUMENTATION INTAKE AND PROCESSING AGREEMENT

Agreement Reference: SPM-RA-2026-0047

PREAMBLE

This Reasonable Accommodation Documentation Intake and Processing Agreement ("Agreement") is entered into as of July 14, 2026 ("Effective Date"), by and between: Star Property Management, a residential property management company operating in the Southwest Texas region, with its principal place of business in Southwest Texas, acting through its authorized staff ("Property Manager"); and Tanya Mitchell, a residential tenant in the Star Property Management portfolio ("Tenant"). The parties enter this Agreement in connection with the Tenant's submission of a formal reasonable accommodation request under applicable fair housing law, specifically a request to maintain an emotional support animal at the Tenant's dwelling unit. The purpose of this Agreement is to memorialize the obligations of each party with respect to the receipt, processing, secure retention, and timely adjudication of the accommodation documentation submitted by the Tenant.

NUMBERED CLAUSES

1. Scope of Work. This Agreement governs the intake, secure filing, internal tracking, and formal review of the reasonable accommodation request and supporting provider documentation submitted by Tenant Tanya Mitchell to Star Property Management. The scope encompasses all administrative steps required to evaluate the request in accordance with fair housing obligations, from initial document receipt through a written determination. 2. Documentation Received. The Property Manager acknowledges receipt of two documents submitted by the Tenant: (a) a completed accommodation-request form describing the need for an emotional support animal, and (b) a verification letter from a licensed healthcare or mental health provider corroborating the nexus between the Tenant's disability-related need and the requested accommodation. These two documents constitute the full submission package required to initiate formal review. 3. Secure Filing Obligation. Lisa Smith, acting on behalf of Star Property Management in her capacity as the designated administrative coordinator for this matter, shall save the accommodation-request form and the provider verification letter to the organization's shared document drive under a file path reserved for fair housing accommodation records, ensuring both documents are preserved in their original form and accessible to authorized personnel only.

4. HubSpot Ticket Status and Internal Notes. Upon saving the documentation to the filesystem, Lisa Smith shall update the existing HubSpot ticket associated with this accommodation request - opened under Tanya Mitchell's contact record - to a status of OPEN, and shall append internal notes to that ticket summarizing the nature of each document received, the date of receipt, and the completeness of the submission package. 5. Internal Coordination Responsibilities. Sandra Allen, as Property Manager, and Brooke Phillips, in her supporting compliance role, shall each be notified of the ticket status change and the availability of the filed documentation so that the review process may proceed without delay. No further documentation shall be solicited from the Tenant unless the review identifies a material deficiency in the submission. 6. Tenant's Obligation. The Tenant represents that the accommodation-request form and the provider verification letter submitted to Star Property Management are accurate, complete, and provided in good faith, and agrees to respond promptly if Star Property Management identifies a specific, lawfully permissible deficiency in the submission that requires clarification. 7. Review Timeline. Star Property Management shall complete its initial review of the documentation and issue a written determination to the Tenant within a reasonable time, not to exceed thirty (30) calendar days from the Effective Date of this Agreement, absent extenuating circumstances

that are communicated to the Tenant in writing before the deadline expires. 8. Confidentiality. All medical or disability-related information contained in the provider verification letter and the accommodation-request form shall be maintained as confidential by Star Property Management, disclosed internally only on a need-to-know basis for purposes of evaluating this request, and not included in the Tenant's general lease file or shared with third parties except as required by law. 9. Non-Retaliation. Star Property Management affirms that the Tenant's submission of this accommodation request shall not adversely affect the Tenant's tenancy, lease renewal eligibility, or standing as a resident, and that no retaliatory action of any kind will be taken against the Tenant in connection with the exercise of her fair housing rights. 10. Record Retention. The filed documentation, the HubSpot ticket record, all internal notes, and the written determination, once issued, shall be retained by Star Property Management for a minimum of four (4) years from the Effective Date, consistent with the organization's document-retention practices for fair housing matters. 11. Term and Duration. This Agreement takes effect on the Effective Date and remains in force until Star Property Management issues its written determination on the accommodation request and all associated administrative records have been properly filed, or until the Tenant withdraws the request in writing, whichever occurs first.

12. Amendment. Any modification to the terms of this Agreement must be made in writing and signed by both parties; no oral representation or course of conduct shall operate to alter the parties' obligations hereunder.

13. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Texas, and any dispute arising hereunder shall be subject to the jurisdiction of the courts of competent jurisdiction in the Southwest Texas region. 14. Termination for Cause. Either party may terminate this Agreement upon written notice if the other party materially breaches any obligation set forth herein and fails to cure such breach within ten (10) calendar days of receiving written notice identifying the breach; termination shall not relieve either party of obligations that by their nature survive, including confidentiality and record-retention duties.

15. Entire Agreement. This Agreement constitutes the complete understanding between the parties with respect to the intake and processing of the Tenant's reasonable accommodation documentation and supersedes any prior oral or written communications on this specific subject.
