Residential Lease Execution Agreement - Angela Carter

RESIDENTIAL LEASE EXECUTION AGREEMENT

Reference No.: SPM-2026-LC-0047

PREAMBLE

This Residential Lease Execution Agreement (the "Agreement") is entered into as of July 14, 2026 (the "Effective Date"), by and between: Star Property Management, a residential property management company operating in the Southwest Texas region, represented herein by Sandra Allen, Leasing Agent, with administrative oversight by Lisa Smith, Property Manager, and leasing coordination support by Alicia Vega (collectively, "Management"); and Angela Carter, an individual prospective resident who has completed the application and screening process and whose tenancy has been approved for occupancy at a residential unit within the Star Property Management portfolio ("Resident"). Management and Resident are referred to individually as a "Party" and collectively as the "Parties." The Parties hereby agree as follows:

1. PURPOSE AND SCOPE

This Agreement governs the process and obligations surrounding the formal execution of the residential lease between Management and Resident, including the scheduling of a lease-signing appointment, the handling of the executed lease document, and the delivery of a fully countersigned copy to Resident. This Agreement does not supersede or replace the residential lease itself, which constitutes a separate and binding instrument.

2. LEASE-SIGNING APPOINTMENT

Management shall schedule a lease-signing appointment on Google Calendar and extend a calendar invitation to Resident, confirming a mutually agreed date, time, and location at which both Parties will review and execute the residential lease. Resident agrees to attend the scheduled appointment and to present any identification or supplementary documentation reasonably requested by Management in advance of signing.

3. EXECUTION OF THE RESIDENTIAL LEASE

At the lease-signing appointment, both Parties shall review the complete residential lease and affix their signatures where required, thereby binding themselves to its terms and conditions as of the commencement date stated within that lease. Sandra Allen shall countersign on behalf of Star Property Management and shall confirm that all required fields, initials, and addenda have been completed before the appointment concludes.

4. DOCUMENT STORAGE AND RECORDKEEPING

Upon full execution, Management shall save the signed lease document to the company's shared document drive, organized in accordance with Star Property Management's standard filing practices for resident records. Management shall retain this document for the duration of the tenancy and for any legally required period thereafter.

5. DELIVERY OF COUNTERSIGNED COPY TO RESIDENT

Following execution and document archiving, Sandra Allen shall transmit the fully countersigned lease to Angela Carter via email to the address on file in the leasing CRM, so that Resident holds her own complete copy of the executed agreement. This delivery shall occur on the same business day as the signing appointment, barring unforeseen technical circumstances.

6. RESPONSIBILITIES OF MANAGEMENT

Management is responsible for preparing the lease-signing calendar invitation, ensuring the residential lease document is accurate and complete before the appointment, countersigning the lease on behalf of Star Property Management, archiving the executed document to the shared drive, and delivering the countersigned copy to Resident as described herein.

7. RESPONSIBILITIES OF RESIDENT

Resident is responsible for attending the scheduled lease-signing appointment, reviewing the residential lease in its entirety before signing, executing all required signature lines and initials, and retaining her own copy of the countersigned lease for the duration of her tenancy.

8. COORDINATION ROLES

Lisa Smith, in her capacity as Property Manager, provides supervisory oversight of the leasing process and is available to address questions or escalations arising before or during the signing appointment. Alicia Vega provides leasing coordination support and may assist with scheduling, document preparation, or follow-up communications as directed by Management.

9. TERM AND DURATION

This Agreement is effective as of the Effective Date and remains operative until the obligations set forth herein - the signing appointment, document execution, recordkeeping, and delivery of the countersigned copy - have been fully performed by both Parties, at which point it shall be deemed complete and satisfied.

10. CONFIDENTIALITY

All personal and financial information provided by Resident in connection with her tenancy application and lease execution shall be held in confidence by Management and used solely for purposes related to her residency, consistent with applicable law and Star Property Management's standard privacy practices.

11. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, and any dispute arising hereunder shall be subject to the jurisdiction of the courts located in the Southwest Texas region.

12. ENTIRE AGREEMENT

This Agreement, together with the residential lease executed pursuant hereto, constitutes the complete understanding of the Parties with respect to the lease execution process and supersedes any prior oral or written communications concerning the same subject matter.

13. TERMINATION

Either Party may withdraw from this Agreement prior to the execution of the residential lease upon written notice to the other Party; once the residential lease has been fully executed, however, the rights and obligations set forth in that lease shall govern, and this Agreement shall be deemed fulfilled and closed.
