MAINTENANCE WORK-ORDER — TICKET REPORT

Ticket Number	MT-2026-062
Priority	Low
Completion Date	2026-05-16

Description / Work Detail

Wrapping up today's thread. To summarize for the standup: HVAC vendor is confirmed for 8 AM at Palomar, Dave is covering the stairwell lights, and Carlos is assessing the Riverside gate latch. I'll open tomorrow's standup with these three items at the top of the queue. Anything not resolved by then, flag me before 9.
