NOTICE-TO-VACATE ACKNOWLEDGMENT AND MOVE-OUT INSTRUCTION AGREEMENT

Agreement Reference: SPM-2026-MV-0527-CB

PREAMBLE

This Notice-to-Vacate Acknowledgment and Move-Out Instruction Agreement (the "Agreement") is entered into as of May 27, 2026 (the "Effective Date"), by and between: Star Property Management, a residential property management company operating in the Southwest Texas region, with its principal place of business in the Southwest Texas region, acting through its authorized representative Kevin Okafor, Property Manager ("Manager"); and Connor Beaumont, an individual and current resident of the residential unit located at Mesa Vista, managed by Star Property Management ("Resident").

The parties agree as follows:

1. ACKNOWLEDGMENT OF NOTICE TO VACATE

Manager hereby formally acknowledges receipt of Resident's written notice of intent not to renew and to vacate the Mesa Vista unit currently occupied by Resident. This acknowledgment confirms that Resident's notice has been reviewed, accepted, and logged in the leasing management system as of the Effective Date.

2. LEASE TERMINATION DATE

Resident's lease term shall conclude, and Resident's right to occupy the Mesa Vista unit shall expire, at 11:59 p.m. on June 30, 2026. Resident is required to have fully vacated and surrendered possession of the unit no later than that date and time.

3. UNIT CLEANING EXPECTATIONS

Prior to vacating, Resident shall return the unit in a clean, orderly condition consistent with its state at the time of move-in, subject to ordinary wear and tear. This obligation includes thorough cleaning of all interior surfaces, appliances, fixtures, cabinetry, flooring, and bathroom areas.

4. WALL-REPAIR GUIDELINES

Any nail holes, anchor points, or wall damage beyond minor incidental marks shall be patched and finished by Resident before the final move-out date. Should such repairs remain incomplete upon Resident's departure, the reasonable cost of remediation will be assessed against the security deposit in accordance with the original lease agreement.

5. RETURN OF KEYS AND ACCESS DEVICES

All keys, fobs, gate cards, or any other access devices associated with the Mesa Vista unit must be returned in person to the Star Property Management leasing office no later than 11:59 p.m. on June 30, 2026. Failure to return all access devices by the specified deadline may result in re-keying or lock-replacement costs being charged against Resident's security deposit.

6. FORWARDING ADDRESS REQUIREMENT

Resident shall provide a current, deliverable forwarding mailing address to Manager at or before the time of final key return. Provision of a valid forwarding address is a prerequisite for timely processing of any security deposit refund to which Resident may be entitled under applicable law and the terms of the original lease.

7. PRE-MOVE-OUT INSPECTION

Manager will schedule a walkthrough inspection of the Mesa Vista unit during the final week of June 2026, coordinating a mutually agreeable date and time with Resident upon reasonable advance notice. The inspection is intended to give Resident an opportunity to address any identified cleaning or repair items before final vacation and does not constitute Manager's final acceptance of the unit's condition.

8. SECURITY DEPOSIT DISPOSITION

Following Resident's full vacation and surrender of the unit, Manager will conduct a final inspection and will process the security deposit disposition - including any applicable deductions for damages beyond normal wear and tear, outstanding balances, or unreturned access devices - within the timeframes required under applicable Texas Property Code provisions, with a written itemization delivered to Resident's forwarding address.

9. RESPONSIBILITIES OF MANAGER

Manager shall maintain Resident's account records through the lease termination date, conduct the pre-move-out inspection within the timeframe stated herein, communicate identified deficiencies to Resident in a timely manner, and process the security deposit disposition as required by law. Manager's leasing, maintenance, and housekeeping personnel will coordinate unit readiness activities following confirmed vacation.

10. RESPONSIBILITIES OF RESIDENT

Resident shall fully vacate the Mesa Vista unit by the lease termination date, satisfy all cleaning and repair obligations described herein, return all access devices to the leasing office, and supply a valid forwarding address. Resident remains responsible for all rental obligations and any other lease-based duties through and including June 30, 2026.

11. NON-WAIVER

This Agreement does not waive, modify, or supersede any rights or obligations set forth in the original lease agreement between the parties, except as expressly stated herein, and all terms of the original lease remain in full force through the termination date.

12. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, and any dispute arising out of or related to this Agreement shall be subject to the jurisdiction of the appropriate courts serving the Southwest Texas region.

13. ENTIRE AGREEMENT

This Agreement, together with the original lease agreement, constitutes the complete understanding between the parties with respect to the move-out process and supersedes any prior oral or informal communications on the same subject matter; amendments must be made in writing and signed by both parties.

14. EFFECTIVE DATE AND COUNTERPARTS

This Agreement is effective as of May 27, 2026, and may be executed in counterparts, including by electronic delivery, each of which shall be deemed an original and which together shall constitute one and the same instrument.
