Southwest Texas Residential Portfolio

Residential Lease Agreement - Priya Nambiar

RESIDENTIAL LEASE AGREEMENT

Star Property Management - Southwest Texas Region Agreement No. SPM-2026-0614

PREAMBLE

This Residential Lease Agreement ("Agreement") is entered into and made effective as of June 14, 2026 (the "Effective Date"), by and between:

Landlord's Agent / Property Manager: Star Property Management, a residential property management company operating in the Southwest Texas region, represented herein by Brooke Phillips, Property Manager ("Management"); and

Resident: Priya Nambiar, an individual whose application was received and approved through the Star Property Management leasing process ("Resident"). Management and Resident are referred to collectively herein as the "Parties." IN CONSIDERATION of the mutual covenants set forth below, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. DEMISED PREMISES

Management hereby leases to Resident, and Resident hereby leases from Management, the two-bedroom residential unit within the Star Property Management Southwest Texas portfolio (the "Premises"), as identified in the unit assignment records maintained by Management. Resident accepts the Premises in the fully prepared, make-ready condition confirmed prior to the Effective Date.

2. LEASE TERM

The tenancy shall commence on or about mid-June 2026, consistent with the move-in timeline stated in Resident's application, and shall continue for twelve (12) consecutive months unless sooner terminated in accordance with this Agreement. Upon expiration of the initial term, the tenancy shall convert to a month-to-month arrangement unless either Party delivers written notice of non-renewal at least thirty (30) days before the end of the then-current term.

3. RENT AND PAYMENT

Resident agrees to pay monthly rent in the amount set forth in the approval documentation issued to Resident on the Effective Date, due on the first (1st) day of each calendar month without demand or offset. A late charge will apply to any payment received after the fifth (5th) calendar day of the month.

4. SECURITY DEPOSIT

Prior to or concurrent with taking occupancy, Resident shall deliver to Management a security deposit in the amount specified in the approval correspondence. The deposit shall be held and returned in accordance with applicable Texas residential tenancy statutes, subject to lawful deductions, within thirty (30) days following Resident's vacating of the Premises and return of all keys and access devices.

5. USE AND OCCUPANCY

The Premises shall be used solely as a private residential dwelling by Resident and any occupants approved during the screening process. Resident shall comply with all applicable laws, ordinances, and community rules, and shall not use the Premises for any commercial, unlawful, or nuisance-creating purpose.

6. UTILITIES

Resident shall establish and maintain service accounts for all utilities designated as Resident's responsibility under Management's standard utility addendum. Management shall retain responsibility for any utilities or common-area services expressly identified as owner-paid in the property's operating budget.

7. MAINTENANCE AND REPAIRS

Resident shall keep the Premises in a clean and sanitary condition and shall report any damage or needed repair to Management through the designated work-order intake channel promptly upon discovery. Management shall coordinate timely responses through its onsite maintenance team and approved vendor network, including HVAC servicing, appliance repairs, and other vendor-dispatched work.

8. MANAGEMENT'S OBLIGATIONS

Management shall maintain the Premises in a habitable condition throughout the lease term, process maintenance requests in a reasonably prompt manner, and deliver all required statutory notices in the form and timeframes prescribed by Texas law.

9. RESIDENT'S OBLIGATIONS

Resident shall pay rent when due, avoid damage beyond ordinary wear and tear, provide Management with reasonable advance notice of any extended absence from the Premises, and comply with all written community policies and addenda incorporated into this Agreement.

10. ALTERATIONS

Resident shall not make structural alterations, repaint interior surfaces, or affix permanent improvements to the Premises without prior written consent from Management. Any approved alterations shall, at Management's election, either remain as permanent improvements or be restored to original condition by Resident upon vacating.

11. ENTRY BY MANAGEMENT

Management or its authorized agents may enter the Premises upon not less than twenty-four (24) hours advance notice for inspection, repairs, HVAC maintenance (including coil cleaning and system servicing), or prospective-tenant showings. Emergency entry requiring no advance notice is permitted when there is an imminent threat to persons or property.

12. SUBLETTING AND ASSIGNMENT

Resident shall not sublet the Premises, assign this Agreement, or permit any person not named in the approved application to reside at the Premises for more than fourteen (14) consecutive days without Management's prior written approval. Unauthorized subletting constitutes a material breach of this Agreement.

13. PETS

No pets shall be kept on the Premises without Management's prior written consent and the execution of a separate pet addendum, which may include a pet deposit and a monthly pet fee. Keeping an unauthorized animal constitutes a lease violation subject to cure or termination notice.

14. DEFAULT AND CURE

If Resident fails to pay rent when due or violates any material term of this Agreement, Management shall deliver written notice specifying the default and the applicable cure period as required by Texas law. Failure to cure within the statutory period entitles Management to pursue all available remedies, including eviction proceedings filed in the appropriate justice court.

15. EARLY TERMINATION BY RESIDENT

Resident may terminate this Agreement at the conclusion of the initial term upon thirty (30) days' written notice of non-renewal. Should Resident elect to vacate prior to the end of the initial term, Resident shall owe an early termination fee equal to two (2) months' rent and shall remain liable for rent until the unit is re-leased or the term expires, whichever occurs first.

16. TERMINATION BY MANAGEMENT

Management may terminate this Agreement for cause upon delivery of the notice required by applicable Texas statute, or without cause at the conclusion of any lease term upon thirty (30) days' written notice to Resident. Nothing herein limits Management's right to pursue expedited eviction proceedings where statutory grounds exist.

17. MOVE-OUT AND SURRENDER

Upon expiration or earlier termination, Resident shall vacate the Premises, remove all personal belongings, return all keys and access devices, and leave the unit in a clean condition consistent with ordinary residential use. Management will conduct a move-out inspection and provide Resident with an itemized accounting of any deductions from the security deposit within the period required by Texas law.

18. GOVERNING LAW AND VENUE

This Agreement shall be governed by the laws of the State of Texas. Any dispute arising under or related to this Agreement that cannot be resolved informally shall be submitted to the court of competent jurisdiction in the county where the Premises are located.

19. ENTIRE AGREEMENT AND AMENDMENTS

This Agreement, together with any addenda executed concurrently, constitutes the entire understanding between the Parties regarding the Premises and supersedes all prior negotiations or representations, whether oral or written. No modification shall be binding unless made in writing and signed by both Parties.

20. SEVERABILITY

If any provision of this Agreement is found to be unenforceable or invalid under applicable law, the remaining provisions shall continue in full force and effect.

21. NOTICES

All formal notices required or permitted under this Agreement shall be delivered in writing to the addresses on file with Management for each Party, or via electronic mail to the addresses designated during the leasing intake process, and shall be deemed received upon confirmed delivery.

22. ELECTRONIC SIGNATURE

This Agreement may be executed in counterparts, and electronic signatures transmitted via Management's designated e-signature platform shall carry the same legal force and effect as original ink signatures, consistent with applicable Texas law. IN WITNESS WHEREOF, the Parties have executed this Residential Lease Agreement as of the Effective Date.
