## MAINTENANCE WORK-ORDER — TICKET REPORT

|                 |               |
|-----------------|---------------|
| Ticket Number   | MR-4C-2026-08 |
| Priority        | High          |
| Completion Date | 2026-05-01    |

### Description / Work Detail

All make-ready work at Mesa Vista 4C is complete. Deep clean, interior repaint, faucet cartridge replacement, GFCI outlet swap, and drywall patch all finished and confirmed. QC walkthrough by Jaime addressed the bedroom closet trim; touch-up passed re-inspection. Unit status updated to market-ready in the make-ready record, and Brooke Phillips has been notified to move forward with listing for the incoming resident.
