Lease Renewal Offer Agreement - Tommy Reyes, Unit 14

LEASE RENEWAL OFFER AGREEMENT

Prepared by Star Property Management On Behalf of the Property Owner

PREAMBLE

This Lease Renewal Offer Agreement ("Agreement") is entered into as of May 22, 2026, by and between: Star Property Management, a residential property management company operating in the Southwest Texas region, acting as authorized agent on behalf of the property owner of record for the residential community in which Unit 14 is situated (hereinafter "Management"), represented herein by Alicia Vega, Leasing Agent; and Tommy Reyes, an individual currently residing at Unit 14 within the residential portfolio managed by Star Property Management (hereinafter "Resident"). This Agreement sets forth the terms under which Management extends a formal offer to Resident to renew his existing residential lease, and documents the respective rights, responsibilities, and obligations of both parties in connection with that renewal offer.

Effective Date: May 22, 2026

CLAUSES

1. SCOPE OF OFFER

Management hereby extends to Resident a formal offer to renew his residential tenancy at Unit 14 for a new fixed term commencing July 1, 2026, and running for twelve (12) consecutive calendar months through June 30, 2026. This offer is contingent upon Resident's written acceptance delivered to Management on or before the response deadline stated herein, and is subject to Resident remaining in good standing under the current lease through the renewal commencement date.

2. RENEWED MONTHLY RENT

The monthly rental rate applicable to the renewal term shall be nine hundred seventy-five dollars (\$975.00), due on the first day of each calendar month beginning July 1, 2026, and payable in the manner prescribed by the then-current community payment policies on file with Management. All other financial obligations established under the existing lease, including applicable late fees and any utility pass-through arrangements, shall continue without alteration unless superseded in writing by both parties.

3. RENEWAL TERM AND DURATION

The renewal term shall be exactly twelve (12) months in length, beginning July 1, 2026, and concluding on June 30, 2026, at which time the lease shall expire unless the parties execute a subsequent renewal agreement prior to that expiration date. No holdover tenancy beyond June 30, 2026, shall be implied by this Agreement or by Resident's continued occupancy absent a separate written instrument executed by both parties.

4. RESPONSE DEADLINE

Resident must communicate his acceptance or declination of this renewal offer to Management in writing no later than June 6, 2026. Acceptance may be delivered by signed return of this Agreement, by written notice via email directed to Alicia Vega, or by execution of a formal renewal lease addendum prepared by Management; failure to respond by June 6, 2026, shall be construed as a declination, and Management may proceed accordingly with re-leasing Unit 14.

5. CONDITION OF UNIT

Management confirms, based on its internal review completed prior to the issuance of this offer, that Unit 14 carries no outstanding maintenance work orders and that major systems including flooring and the water heater have been assessed as satisfactory. Resident agrees to maintain Unit 14 in the same condition throughout the balance of the current lease term and through the renewal period, consistent with the standards of care set forth in the original lease agreement.

6. RESPONSIBILITIES OF MANAGEMENT

Management shall prepare and deliver all documentation necessary to formalize the renewal, ensure that the renewal terms are accurately reflected in any lease addendum or replacement lease instrument, and provide Resident with a reasonable opportunity to seek clarification regarding the terms of this offer prior to the response deadline. Management shall further maintain the leasing records associated with Resident's renewal opportunity and update those records to reflect the outcome of this offer upon receipt of Resident's response.

7. RESPONSIBILITIES OF RESIDENT

Resident shall review this Agreement and all accompanying renewal documentation carefully, respond to Management's offer in writing by the deadline specified in Clause 4, and continue to comply with all obligations under the current lease - including timely rent payment, proper care of the unit, and adherence to community rules - through the expiration of the current term and, if the offer is accepted, through the entirety of the renewal term.

8. CONTINUITY OF EXISTING LEASE TERMS

Except as expressly modified by the renewed monthly rent stated in Clause 2 and the renewal term stated in Clause 3, all terms, conditions, rules, and addenda of Resident's existing lease agreement shall remain in full force and effect throughout the renewal period without alteration. No oral representations made in connection with this offer shall be construed to modify the written lease or this Agreement.

9. TERMINATION OF THIS OFFER

This offer shall automatically terminate and be of no further effect if Resident fails to respond by June 6, 2026, or if Resident affirmatively declines the renewal in writing prior to that date. In the event of termination of this offer, Management reserves the right to market Unit 14 to prospective residents without further notice to Resident, subject to any applicable notice requirements under Texas law and the current lease agreement.

10. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, and any dispute arising hereunder shall be subject to the exclusive jurisdiction of the appropriate courts of the county in which the property is situated within the Southwest Texas region.

11. ENTIRE AGREEMENT

This Agreement, together with the current executed lease and its addenda on file with Management, constitutes the complete understanding between the parties with respect to the renewal offer for Unit 14, and supersedes any prior verbal discussions or informal communications regarding the same subject matter. Amendments to this Agreement must be made in writing and signed by both parties.
