Reasonable Accommodation Lease Addendum - Emotional Support Animal

REASONABLE ACCOMMODATION LEASE ADDENDUM

Emotional Support Animal

Agreement Reference: SPM-RA-2026-0041

PREAMBLE

This Reasonable Accommodation Lease Addendum ("Addendum") is entered into as of July 14, 2026 (the "Effective Date"), by and between: Star Property Management, a residential property management company operating in the Southwest Texas region, acting on behalf of the property owner ("Management"), represented herein by Sandra Allen, Property Manager; and Tanya Mitchell, a residential tenant currently leasing a dwelling unit within a property managed by Star Property Management ("Tenant"). This Addendum supplements and is incorporated into the existing Residential Lease Agreement between the parties and shall be read together with that lease as a single, binding instrument. In the event of any conflict between this Addendum and the underlying lease, the terms of this Addendum shall govern solely with respect to the subject matter addressed herein.

NUMBERED CLAUSES

1. Purpose and Basis of Accommodation

Management has reviewed Tenant's written request for a reasonable accommodation under the Fair Housing Act and applicable Texas law, together with supporting documentation from a qualified healthcare provider, and has determined that the requested accommodation is necessary to afford Tenant an equal opportunity to use and enjoy her dwelling. This Addendum memorializes Management's approval of that accommodation and establishes the conditions attendant to it.

2. Approved Accommodation

Management hereby grants Tenant the right to keep one emotional support animal in the leased dwelling unit, notwithstanding any provision of the underlying lease that would otherwise prohibit or restrict animals on the premises. This approval is specific to Tenant's documented disability-related need and does not constitute a general waiver of the property's animal policy with respect to any other resident or unit.

3. Animal Description

The emotional support animal approved under this Addendum is one domestic dog, breed Golden Retriever, name Biscuit, approximate weight 55 pounds, with a tan and golden coat. Within fourteen calendar days of

the Effective Date, Tenant shall furnish Management with current proof of rabies vaccination and any municipal animal license required by local ordinance, and shall provide updated documentation upon each annual renewal of such records.

4. Fees and Deposits

Because the animal qualifies as an assistance animal approved through the reasonable accommodation process under federal fair housing law, Management shall not assess Tenant a pet deposit, pet fee, or recurring pet rent attributable to the presence of this emotional support animal during the term of this approved accommodation.

5. Tenant Responsibilities - Care and Control

Tenant shall bear sole responsibility for the care, supervision, and control of the emotional support animal at all times, including keeping the animal on a leash or in a secured carrier within all common areas of the property, and ensuring the animal does not create unreasonable noise, cause disturbance to other residents, or pose a direct threat to the health or safety of any person on the premises.

6. Tenant Responsibilities - Property Damage

Tenant shall be financially liable for any damage to the leased dwelling unit, common areas, or property grounds caused by the emotional support animal; such costs shall be applied against Tenant's security deposit or billed directly to Tenant in accordance with the damage-reimbursement provisions of the underlying lease.

7. Tenant Responsibilities - Legal Compliance

Tenant shall comply with all applicable municipal ordinances governing animal ownership, including current vaccination requirements, licensing, and waste disposal, and shall provide Management with written evidence of compliance upon reasonable request.

8. Management Confidentiality Obligation

Star Property Management shall treat all documentation submitted in support of this accommodation request - including any healthcare provider records - as confidential and shall not disclose the nature of Tenant's disability to other residents, to staff members without a legitimate operational need to know, or to third parties, except as expressly required by law.

9. Duration and Re-Evaluation

This accommodation approval shall remain in effect for the duration of Tenant's tenancy under the underlying Residential Lease Agreement. Management reserves the right to request updated supporting documentation no more than once per lease renewal period if a legitimate, non-discriminatory basis exists to believe that the disability-related need has materially changed.

10. Revocation for Cause

Management may revoke this accommodation approval upon written notice to Tenant if the emotional support animal poses a direct threat to health or safety that cannot be reduced to an acceptable level through reasonable means, or if Tenant fails to cure a documented breach of the responsibilities set forth in Clauses 5, 6, or 7 within the cure period specified in the underlying lease.

11. Relationship to Underlying Lease

This Addendum terminates automatically upon the expiration or earlier termination of the underlying Residential Lease Agreement. The termination of this Addendum alone shall not independently operate to terminate the lease.

12. Governing Law

This Addendum shall be construed and enforced in accordance with the laws of the State of Texas and applicable federal fair housing regulations, without regard to conflict-of-law principles.

13. Entire Agreement on Subject Matter

This Addendum, read together with the underlying Residential Lease Agreement, constitutes the complete agreement between the parties concerning the emotional support animal described herein and supersedes all prior written or oral understandings on that subject.

14. Severability

Should any provision of this Addendum be held invalid or unenforceable by a court of competent jurisdiction, all remaining provisions shall continue in full force and effect.

15. Execution

This Addendum may be executed in counterparts, including by electronic signature, each of which shall constitute an original, and all counterparts together shall form one binding instrument.
